

Name: _____

Pre-writing - Shapes

Trace each vertical line from the small to the big shape.

The activity consists of five vertical columns. Each column starts with a small shape at the top and a larger version of the same shape at the bottom. A dashed vertical line with a downward-pointing arrowhead connects the two shapes. The shapes are: a pink circle, a white diamond with a black outline, a green triangle, a red heart, and an orange rectangle.
